Terms and Conditions of Carriage

1. All rates are pre-paid, NET/NET and valid on NZ 086 awbs only. Shipments not covered by the above rates will be rated as TACT.
2. Cargo tendered to the airline unscreened is subject to a screening charge of \$0.09/kg or \$5.00 minimum based on chargeable weight.
3. IATA agent number (with location code) to be billed must be shown on the air waybill along with the appropriate TACT rate.
4. Excludes High Value, Live Animals, Human Remains, and Firearms (including Parts/Accessories)
5. Payment paid against direct billing from CNS invoiced billed on the 1st and 16th of each month and due within 30 days.
6. Adhoc shipments not covered by the contract or TACT must have a spot number allocated by authorized Air New Zealand staff.
7. Shipments are subject to and will be rated at the greater of the actual or dimensional weight.
8. FLY IT FAST (Express) shipments must use a "2000" series awb only.
9. **This contract supersedes all previous rates and is subject to change without notice.**
